Re: MDL-1586 – *In re Mutual Funds Investment Litigation*

Dear Counsel:

This will confirm recent modifications to the schedule originally set during the conference held on December 14, 2009. The modified schedule is as follows:

April 21, 2010	Deadline for filing motions for preliminary approval of class action settlements
May 7, 2010 9:30 a.m.	Hearing on motions for preliminary approval of class action settlements
October 1, 2010 10:00 a.m.	Hearing on motions for final approval of class action settlements

As explained in our January 4, 2010 correspondence, Judge Blake and I understand that you will work out among yourselves a proposed schedule concerning the filing of motions for final approval of class action settlements and related documents. Additionally, we expect to remain in communication with one another as to whether we will need to schedule more than one day, on or around October 1, 2010, for the hearing on the motions for final approval.

Very truly yours,

Judge J. Frederick Motz
